**RE: Environmental Impact Statement (Jackpile)**

**Dear Mr. Nelson:**

**Enclosed you will find a "Summary of Discussions" between the Pueblo of Laguna Council, U. S. G. S. representatives and other federal agency representatives on March 23, 1981, at which time a private scoping meeting was held in order to receive input from the Council. I assume that you did not electronically/manually record the input from the Council; therefore, please accept said document as a record of input from the Pueblo of Laguna Tribal Council. It is the desire of the Council that you give such input careful consideration.**

**Thank you for the opportunity to present the concerns of the Council. Further, please pass on my appreciation for the attendance of the various representatives at the scoping meetings and the Council meeting.**

**Sincerely,**
